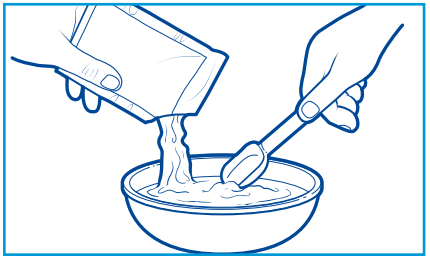
RECIPE

Before making this recipe…

1. Wash all utensils, pans – and your hands.
2. Spray the cooking pan with nonstick cooking spray.
3. Preheat REAL MEAL Oven for 15 minutes.
4. Be sure cooling rack is fully inserted into oven.
5. REAL MEAL Oven mixes are for use in REAL MEAL Oven only.

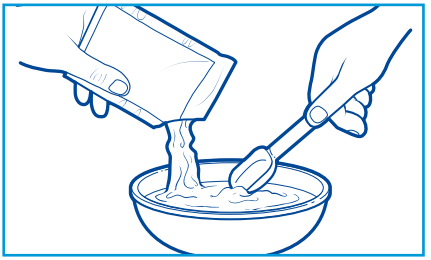
Soft Pretzels *(Makes 4 pretzels)*



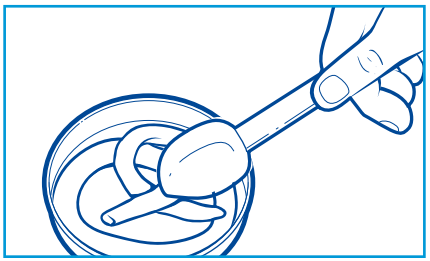
1. Pour contents of pretzel mix packet into mixing bowl. Add 10 teaspoons of water and stir.

2. Divide dough into 4 equal parts. Prepare a clean surface and sprinkle it with flour. Also sprinkle your hands with flour. Roll out 4 strips of dough, each about 10 inches long.

3. Fold each strip into a pretzel shape as shown in the picture. Gently place one pretzel shape into each cooking pan. (Cook with 2 baking pans at a time. Repeat process for other 2 pretzel shapes after the first two are done.)

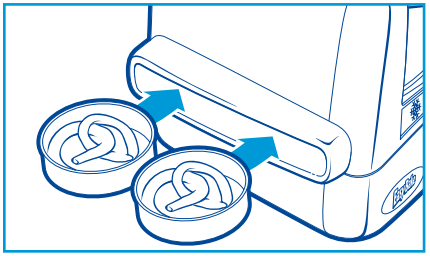


4. Pour contents of pretzel glaze mix into mixing bowl. Add 2 teaspoons of water. Stir well.

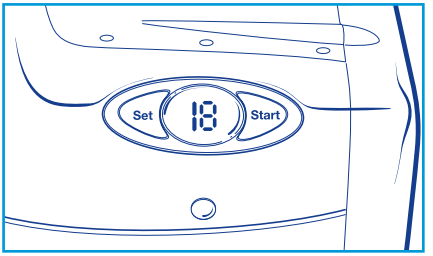


5. Apply small amount of pretzel glaze mixture over top and sides of pretzels with spoon.
6. Lightly sprinkle coarse salt over top of pretzels.

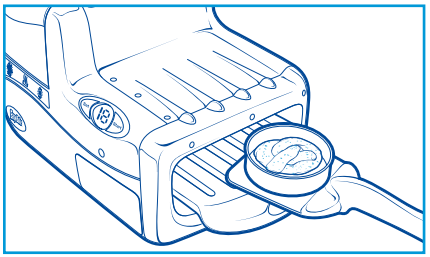
Soft Pretzels (continued)



7. Place pan in chamber chute, then use handle end of pan pusher to insert pan into cooking chamber. Insert pan until tip of arrow on pan pusher lines up with edge of chute. Repeat for second pan so that they are side-by-side in the cooking chamber. (Be sure both metal doors inside oven are closed.)

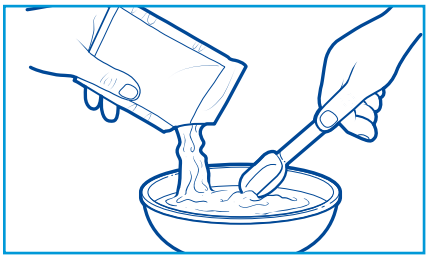


8. Set oven timer for 18 minutes. Press "START" button to begin cooking.



9. When cooking time is complete, use pan pusher to push the cooking pans all the way through to the cooling chamber. Allow pans to cool for 10 minutes. Pull out cooling rack, then use pan pusher to remove pans from rack.

   Repeat process to bake the 2 remainting pretzels.



10. Pour contents of cheese dip mix into mixing bowl. Add 1/4 cup of warm water and stir thoroughly with a spoon until dip thickens

Dunk your pretzels into the cheese dip…delicious! (Pretzels taste best when warm.)
